TOTEM POLES, BIG ROOM,
CARLSBAD CAVERNS NAT'L PARK,
NEW MEXICO

Arriving at White's City, N. M., we are at Carlsbad Caverns Nat'l Park.

Totem Poles, tall, graceful stalagmites are so called, because they resemble the Totem Poles of the Alaskan Indians. This most interesting formation is one of the marvels in the Big Room.

C. L. WHITE, WHITE'S CITY, N. M.
